

ANNUAL REPORT 2018

Together
WE CAN DO MORE

CDMF
Catholic Diocese of Madison
FOUNDATION

“The CDMF is a pervading presence of hope in our diocese. It is cultivating stewardship that responds to the needs of the Church and our own need as faithful Catholics to give of ourselves.”

– **MSGR. JAMES BARTYLLA**
PRESIDENT, CATHOLIC DIOCESE OF MADISON FOUNDATION

“Along with the challenges each year brings, comes great opportunity to thrive and deepen our faith. The Catholic Diocese of Madison Foundation (CDMF) is grateful for the opportunity to work, play, and pray alongside the faithful Catholics of this diocese. We are excited to share with you how our CDMF family has grown and continued to thrive in the fiscal year of 2017- 2018.

Eight new funds joined the CDMF family, passionately supporting parishes, Catholic education and works of mercy in our communities. The CDMF’s assets under management grew by over \$8.2 million, closing the fiscal year at over \$46.5 million. The CDMF needs your partnership to continue to make a difference. As you read through the following pages, prayerfully consider your role with the CDMF and how, together, we can do more.

The generosity and deep love of Christ shared with us by donors, fund holders, parishes and ministries reminds us each day what a blessing it is to share the good news of Jesus Christ and build the kingdom here in our diocese.”

Dawn Maurer

– **EXECUTIVE DIRECTOR, CATHOLIC DIOCESE OF MADISON FOUNDATION**

"I've gotten to know some of our seminarians and new priests and I'm always amazed at their humility and the deep love they radiate for God, the Church, and each person they encounter.

Their presence sparks a desire in me to live more fully, and I'm excited to see them develop as leaders that inspire! With men like these shepherding our parishes, I'm confident the diocese will flourish and draw more people to an ever-deepening love for Christ."
